Dear Exhibitor:

The Ossining Arts Council is proud to sponsor the 2019 OAC Members' Show on display from June 4TH through June 26TH, 2019 at the Ossining Public Library's Main Exhibition Hall. This annual event has become one of the biggest and best attended shows of its kind, attracting artists from 34 communities throughout the Hudson Valley. This exhibit is open to all professional, amateur or student visual artists.

Our mission is to give participating artists the greatest public exposure possible. In addition to the June exhibit, each artist will receive a one year OAC membership which comes with a searchable online gallery, space for artworks and biographies available 24/7 along with links and social network integration. A perfect venue for those who want to be seen.

Your membership also gains access to our home at the OAC Steamer Firehouse Gallery. With 1500 Square feet of light-filled space, the Firehouse is a promising hub for the arts in downtown Ossining.

OAC's exhibition space is growing, giving our Members more opportunities to show their work! The Steamer Firehouse now has two galleries, one for major group and solo shows and the other dedicated to an ongoing rotation of Members' art. These galleries have more open hours and we now offer docent tours. In addition, we have a wall for Members' art at the Westchester Collaborative Theater (WCT) on Water Street.

OAC Members are invited to show their work in Members' Only exhibits throughout the year, and also enjoy discounts on all of our musical and theatrical programs. And we are happy to promote our Members' work in other venues. Just send us a flyer and we'll e-blast it out to our mailing list of over 400. Members can also display their work on our website, ossiningartscouncil.org.

OAC actively interfaces with many community organizations, and we are always working on new events, activities and opportunities for our artists. We welcome Member participation and encourage you to join and get involved! Talk to us, we have memberships for adults, families, seniors and organizations and we welcome artists at all levels of expertise.
